ORDER SCHEDULING
SETTLEMENT CONFERENCE

04 Civ. 4046 (RJS) (GWG)

GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

A settlement conference in this matter is scheduled for November 8, 2013, at 10:00 a.m. in Courtroom 6-B, United States Courthouse, 500 Pearl Street, New York, New York. All persons attending the conference should arrive early to allow for the time required to pass through the security clearance process.

The parties should carefully read the Court's "Standing Order Applicable to Settlement Conferences Before Judge Gorenstein," which is enclosed and is incorporated herein by reference.

The parties are directed to pay particular attention to paragraph 6 of the Standing Order, which sets forth who must appear at the conference. As noted therein, corporations (or any other party that is not a natural person) must send to the conference the person responsible for giving settlement authority within the organization -- not someone who has received authority from another person. In addition, if an insurer has any role in approving a settlement, a representative of the insurer with responsibility for authorizing settlement must also attend the conference. Attorneys are responsible for ensuring that the appropriate individuals appear.

The parties should also note that paragraph 3 of the Standing Order requires certain written submissions, which must be received by the Court and all other parties no later than

midnight four business days before the conference: that is, November 4, 2013. These submissions cannot be sent to the Court by means of the ECF system. Also, attorneys must ensure that their client and/or insurer have read the other side's submission prior to the conference.

Under paragraph 8 of the Standing Order, counsel are required to seek a change in the date of the conference if (1) an adjournment would permit a party to obtain information that would make the conference more fruitful or (2) a client who would otherwise participate by telephone would be available to attend the conference in person were it held on another date. The parties should follow the instructions in paragraph 8 to seek any change in date.

Plaintiff shall make a settlement demand (or reaffirm the pendency of any prior demand) no later than 14 days prior to the conference. Defendant shall inform plaintiff of its response to the demand no later than 7 days prior to the conference. If either party fails to comply with this requirement, the opposing side must promptly remind that party of its failure to comply.

Any party seeking to vary the procedures outlined in this Order should obtain the views of all other parties and thereafter make an application to the Court promptly by letter

SO ORDERED.

Standing Order Applicable to Settlement Conferences Before Judge Gorenstein

1. Settlement conferences form no part of the record. All communications made as part of the conference process are strictly confidential and may not be used for any purpose.
2. Judge Gorenstein will function as a mediator, attempting to help the parties reach agreement on terms of settlement. This process requires that counsel and their clients be both prepared for the conference and candid with the Court. The Court expects to hold only one settlement conference.
3. **No later than four business days before the conference**, the Court and opposing counsel must be in receipt of a letter from counsel for each party marked prominently “Confidential Material For Use Only at Settlement Conference,” setting forth succinctly (normally in fewer than 8 pages) the following: (1) A discussion of the relevant facts and applicable law, with an emphasis on the issues most pertinent to settlement -- including a discussion of liability and, if appropriate, of damages in the event liability were established. If non-monetary relief is sought in addition to or instead of money damages, the parties should set forth their positions as to the provision of such relief. (2) The history of settlement negotiations, if any, including any prior offers or demands. (It is normally unhelpful for a party to state in this letter its final settlement position.) This letter must be received by all parties and the Court no later than midnight four business days before the settlement conference. Counsel must immediately provide a copy of the opposing party's letter to their client and/or insurer and must ensure prior to the conference that the client/insurer has read the other side's letter. These letters may be used solely for the purpose of this settlement conference and not for any other purpose, either in this litigation or elsewhere.

This submission, along with the “Acknowledgment Form” that appears following this Standing Order, may be sent to the Court via fax at (212) 805-4268 if the fax (including any exhibits) does not exceed 15 pages. If sent by fax, do not also send a hard copy.

4. At the settlement conference, counsel for each side will be expected to make a succinct presentation (usually 10-20 minutes) in the presence of each other and the parties summarizing the issues they believe are important for the client and/or insurer of the other side to consider for purposes of formulating a settlement position. The purpose of the presentation is to persuade the opposing party, not the Court. Thus, it is usually (1) unnecessary to recount in full the background of the dispute and (2) helpful to discuss issues raised in the opposing party's confidential settlement letter. The Court prefers that counsel not use PowerPoint or other slideware products. After the initial statements, the Court will allow counsel to respond to points made by opposing counsel and, if appropriate, to pose constructive questions. Clients may speak too if that is desired.
5. Following the presentations, the Court will meet separately with each side in private. In these meetings, the parties and their counsel must be prepared to inform the Court of the amount of attorneys' fees and expenses incurred to date, and an estimate of the remaining costs (including attorney's fees) of litigating the case to judgment, including any appeal.
6. The presence in person of each party (that is, the client), in addition to the party's lawyer, is essential to the settlement process. Also, if an insurance company has any role in approving a settlement, the decisionmaking representative of the carrier must attend in addition to the insured. Because it is important that the decisionmakers with respect to settlement hear their adversaries' presentations and be available to answer questions from the Court, the person who attends must be the person with

ultimate responsibility for determining the amount of any settlement. That is, corporations (or any other party that is not a natural person) must send to the conference the person ultimately responsible within the organization for giving settlement authority, not someone who has received authority from someone else. If the acknowledgment form (or other information) reveals to a party that the individuals scheduled to attend the conference on behalf of that party's adversary do not comply with this requirement, that party shall immediately confer with the adverse party and inform the Court by letter promptly if no resolution is reached. (In cases where the City Comptroller has authority over settlement, the Assistant Corporation Counsel shall arrange in advance of the conference for a representative of the Comptroller either to attend the conference or to be available by telephone.)

Note: A client or insurer's attendance by telephone is permitted if the party lives and works more than 100 miles from the Courthouse and it would be a great hardship for the party to attend a conference held on any date. Where a party attends by telephone, the party must be available for the duration of the conference (In the event more than two parties indicate their intent to appear by telephone, the technical limitations of the telephone system may prevent some parties from so attending.)

If a party does not speak fluent English, the party must bring an experienced simultaneous interpreter (a consecutive interpreter is not acceptable). Experienced simultaneous interpreters are readily available in the commercial marketplace. Counsel should call chambers if there is any difficulty in securing an interpreter.

7. If a party fails to attend the settlement conference with all of the required persons – that is, the attorney, plus the client (which, for a corporate or union party, means a decision-making employee of the client as described in paragraph 6, above), plus a decision-making representative from the insurance carrier (if applicable) – that party may be required to reimburse all of the other parties for their time and travel expenses, and may face other sanctions.
8. A party may make an application to change the date of the settlement conference without providing cause as long as the application for a change in date is made at least 14 days prior to the scheduled conference date. Otherwise, counsel should provide reasons for seeking the change in date and must make the application as soon as counsel becomes aware of the need or potential need for the change. In addition, the parties are required to seek a change in date or an adjournment sine die if (1) an adjournment would permit discovery or exchange of information that would make the conference more fruitful, or (2) a client who would otherwise participate by telephone would be available to attend the conference in person were it held on another date. To seek a new date within 45 days of the originally-scheduled date, the party should first contact the Deputy Clerk at (212) 805-4260 to determine an alternative available date and time. Counsel should thereupon immediately consult with all other counsel as to their and their clients' and insurers' availability on such date. The party must then send a letter to the Court (which may be sent by facsimile at (212) 805-4268) forthwith requesting the new date and time and indicating that it is agreed to by all parties. If the party wishes to postpone by more than 45 days, an adjournment sine die should be sought by letter, should provide the position of each party as to the request, and should specify an approximate time period when the conference should be held. Note: the scheduled conference date is not changed unless counsel are informed that the written application to change the date has been granted.
9. If a defendant intends to raise its inability to pay as a basis for its settlement position, the defendant shall inform plaintiff of this fact no later than 14 days before the conference. The parties should then discuss whether plaintiff seeks proof of such inability and whether the defendant is willing to offer such proof in advance of the conference. A summary of any discussions between the parties on this topic shall be included in the letters required under paragraph 3.
10. The scheduling of a settlement conference has no effect on any deadlines or other pending obligations in the case.

Complete this form (please print or type) or its equivalent, sign it, and send it (for receipt no later than midnight four business days prior to the conference) (1) to all other attorneys who will be attending the conference and (2) to Judge Gorenstein (if sent by fax, the fax number is (212) 805-4268). Please read the certifications below carefully as your signature indicates your compliance with them.
